GLADIOLUS

PRICE LIST ♦ SEASON 1936

FOREWORD

Once again it is my privilege and pleasure to extend my thanks for your orders and many kind words of appreciation. This year's growing season has been very favorable and I have a fine crop of bulbs that I am sure will please.

My son, Edward, has decided to join me in the handling of the business, so I trust from now on you will receive better service, not to mention far more beautiful Arenius originations. With the enthusiasm of youth, tempered with 15 years experience of growing glads we hope to serve you in a bigger and better way. From a modest back yard planting the business has grown to a planting of about 8 acres. During the past year or two it has been a physical impossibility to give the proper attention to all of the details of the business, so I am glad to be able to ease off some of the burdens as well as the pleasures to his more youthful shoulders.

If you have never bought glads from me, just give me a trial or order and if you are not more than satisfied, I will refund your money.

As my customers know, I believe in overcount and fill orders liberally. I do not substitute, but refund any part of an order I cannot fill, unless instructed otherwise.

Terms: Cash with order or a 25% deposit if future delivery is desired, balance C. O. D. Delivery charges prepaid on orders of \$1.00 or more. If less, add 15c toward shipping cost.

Shipment: No orders taken for bulblets after April 1st, for planting sizes after May 1st and for large bulbs after June 1st. Can furnish unlabelled assorted bulbs until July 1st.

Some of the outstanding glads in my gardens this past season were the following: Albatros, a very tall pure white; Bagdad, a fine, large smoky; Constancy, tall rose, not many good ones in this color; Dr. Durr, very early commercial white; Golden Chimes, fine yellow; J. S. Bach, early exhibition orange salmon red; Lavender Delight, clear deep lavender, with cream throat; Mary Elizabeth, tall exhibition or commercial creamy white, Max Reger, a lavender blue, very graceful and attractive; Mr. Wm. Cuthbertson, tall pink, white throat, 10 open; Phyllis McQuiston, a very beautiful pink, outstanding; Pinnacle, rose pink, with 10 open; Tip Top, a very large and outstanding red; Star of Bethlehem, large white, improvement on Maid of Orleans.

Special Collection of Assorted Glads

Many folks desire a few "glads" to plant in the garden and do not care to fuss with the names of the varieties, just merely grow them for cut flowers. For this purpose I am offering a special collection of assorted named varieties but not labelled. Of course, if you have a preference or dislike for certain colors, just mention it and I'll act accordingly. If after blooming time you are not satisfied and pleased in every way, the purchase price will be refunded and no questions asked. Cultural directions accompany each order.
